

District Council Report

December 2022

Full Council met on 15th December to agree the ECDC response to the Greater Cambridge Partnership (GCP) 'Making Connections' consultation. Council agreed a response objecting to a congestion charge for Cambridge, with Conservative members voting for the response and Liberal Democrat members abstaining.

Planning Committee on 7th December refused an application to demolish outbuildings off Market Street, Ely and erect 4 flats. Committee approved a reserved matters application for the perimeter road and access to Kennet Garden Village, and approved a reserved matters application for the details for 164 dwellings in Sutton.

I attended meetings of: the Cambridgeshire and Peterborough Combined Authority Audit and Governance Committee; East Cambs Trading Company Board to agree a business plan; and a meeting with GCP about their 'Making Connections' consultation.

Subject: District Report 10th January, 2023 - Lavinia Edwards

Licensing Committee - At December's Licensing Committee Members were asked to consider the need to consult on the installation of CCT in vehicles licensed for the purpose of hire including taxis and private hire vehicles.

The reason being to obtain evidence for the Department of Transport whether the installation of CCTV in vehicles would have a positive or adverse effect on the safety of taxi and private vehicle users. Members agreed to go out to consultation which will now run until 13th March, 2023

Copies of the questionnaire will be available in all warm hubs and as many doctors surgeries as possible for people who do not have Internet access.
