

Burwell Parish Council 5 Year Plan 2025-2030

Burwell

Burwell, Cambridgeshire is a large and historic village located on the edge of the Fens, about 10 miles northeast of Cambridge and close to Newmarket. With a population of around 7000 residents, it is one of the larger villages in the county and has a thriving, close-knit community.

The village is notable for its rich history, stretching back to the Bronze Age, Roman, Saxon and medieval periods and it is home to the remains of Burwell Castle and rich mix of different architecture throughout the ages. Burwell museum is open to the public from Easter through to November and recreates Burwell life throughout the ages alongside the 19th-century mill.

Modern Burwell balances tradition with growth. The village has just under 3000 households, with further development planned, and benefits from good local amenities including shops, pubs, a post office, primary school, nursery facilities, a doctor's surgery, dentist, sports hall, and day centre. There are also active community groups and clubs catering to all ages.

Surrounded by fenland countryside and nature reserves such as Pauline's Swamp, Spring Close, and Wicken Fen, Burwell is rich in wildlife and outdoor spaces. Its location makes it popular with walkers and cyclists, while providing access to Cambridge, Newmarket and Ely.

The Parish Council plays a central role in maintaining facilities such as play areas, halls, sports grounds, and community spaces. The village is forward-looking, with strong commitments to sustainability, biodiversity, and climate action.

Purpose of the Five-Year Plan

The purpose of this document is to provide the Council with an approved plan of capital projects, areas and assets in need of attention and a financial forecast for the next 5 years. Whilst the approved document sets the plans for the Council, it is appreciated that changes will need to be made to meet the needs of the parish and management of the Council's many assets. It is therefore accepted that this document should be reviewed at least annually by the Council.

The Council

The Council consists of 17 elected (or co-opted) members and is the first tier of local government. Elections are next due to be held in May 2027. The Council adopted the General Power of Competence in May 2023 and this will continue to be in place whilst the necessary criteria is met.

The General Power of Competence allows the Council to do "anything that individuals generally may do" (LA 2011 s1(1)). This can be anywhere, not just in the parish, and for anyone, including individuals. The adoption of the power must legally be reviewed following an election when the Council will need to confirm that it still meets the criteria of being a Council with the General Power of Competence, in that at least two thirds of the Council have been elected and has a qualified Clerk holding the Certificate in Local Council Administration General Power of Competence, Module 7.

The Council is governed by its Standing Orders and Financial Regulations which are reviewed annually. The Full Council usually meets twice per month on the second and last Tuesday.

The Council has statutory duties that it must carry out and is able to carry out other duties using statutory Powers or the General Power of Competence if it has been adopted.

Working Groups

Whilst some matters can only be dealt with by the Full Council such as setting the precept, other matters will be considered in more detail by one of the Working Groups. The Group will then make a recommendation for a final decision to be made by Full Council. Each Working Group agreed their own Terms of Reference/Objectives. These Terms of Reference/Objectives were approved by Full Council. Working Groups meet bi-monthly.

The following Four Working Groups have been established:

All working groups interconnect but this structure facilitates detailed discussions and projects to move forward with decisions resting with full council.

In 2025 some changes were made to three of the working group structures and names:

- Assets and Environment became Land, Buildings and Facilities;
- Community, Leisure, Health and Sport merged with Safety to become Community, Safety, Health and Sport;
- The Climate Change Forum was retitled Climate Change, Biodiversity and Pollution Forum and became a working group but with the key difference of external groups being involved. Membership consists of both Councillors and non-Councillors.

Within working groups for challenges that require more dedication and time, the Parish Council may set up small project teams consisting of councillors and sometimes staff or external members. Current and proposed project teams are:

- ESG Energy Sub Group
- Renewable energy development Team
- Newmarket Road Sports Hub Team
- Communication Team

Finance and General Purposes

Responsibilities

- Budget and finance
- HR management
- Councillor training
- Creation and review of policies and risk assessments including the standing orders and financial regulations
- Health and safety
- Volunteer management
- IT and data management
- Insurance

Projects

- Review all policies and create a policy schedule.
- Create new policies in response to legislation changes and change of activities to include a volunteer and an IT Policy.
- Create an employee handbook.
- · Renew insurance contract and asset register.
- Review all risk assessments.
- Educate residents on precept and how Parish Councils work.
- Develop a 3-5 year financial plan to support funding for longer term financial projects.
- Develop a new councillor recruitment and induction plan.

Land, Buildings and Facilities

Objectives

- To maintain all Council owned properties to a standard acceptable to the users and local community
- To operate and improve Council owned properties to achieve the best energy efficiency/lowest environmental impact possible.
- To maintain to an acceptable standard area of the public assets that are the responsibility of the Council (bus shelters, trees, benches etc.)
- To maintain to an acceptable standard all open spaces that are in the ownership of the Council considering biodiversity as well as community needs
- To work with and support the Pauline's Swamp Trust and the Spring Close and Priory Meadow Management Groups alongside outside agencies in the maintenance and development our open spaces and nature reserves
- To ensure that Council owned play areas are well maintained, safe, inclusive, welcoming areas to visit.
- To maintain the cemetery and allotments appropriately. To sympathetically monitor the rules relating to the site.

Projects

hort Term (Year 1)

Complete improvements to Westhorpe Play Park

Improve safety of Exit and Entrance to Gardiner Memorial Hall

Upgrade of Mandeville Hall insulation, lighting and solar panels/batteries

Change energy suppliers for all buildings

Weed control review

Provide disabled toilet access at the Recreation Ground

Ensure building maintenance and H&S compliance

Complete Inclusive Play Audit (funded by ECDC)

Energy Audit (JRR, GMH & Pavilion)

Evaluation of software options for asset management and village mapping

edium Term (Years 2-3)

Redecoration of Mandeville and Jubilee Reading Room

Improvements to Jubilee Green Play Park

Consideration of EV charging points

Change use of phone box on Pound Hill to a community asset

Improvement of insulation for Jubilee Reading Room

Review further development of Gardiner Memorial Hall

Review bus shelter requirements

Refurbishment of cemetery chapel including windows

Are Cre

ong Term

Margaret Field Play Area

Creation of
workshop for
property
maintenance/stora
ge at rear of Jubilee

Reading Rooms

Community, Safety, Health and Sport

Objectives

Community

- To assess and advise Council on small grant applications from outside organisations
- To support activities that help local groups to address their own needs.
- Working with the District and County Councils to improve provision for the youth and elderly or other groups in need.
- If requested, to provide representation on outside bodies.
- To recognise, promote and work to support heritage assets
- To organise public events and to support other organisations with their own community events.
- Support and promote the Repair and Swish Cafes

- To observe and record the speed and volume of traffic within the parish and support the Speedwatch Initiative.
- To consult with residents regarding traffic problems and report any issues to the relevant authority.
- To work in partnership with the Local Authority to find practical solutions to improve the safety of road users, cyclists and pedestrians using the village's roads.
- To monitor the condition of village footpaths and report any damage to the Local Authority.
- To work with volunteers to grit certain footpaths when icy conditions prevail.
- To support initiatives to improve cycleways within the parish and surrounding area.

Health

- To promote use of open spaces to improve health.
- Improve the health of the village through Parish Council resources

- To work in partnership with the Local Authority and parish sports clubs and organisations to ensure that the sporting needs of the community are fully met.
- To maximise liaison with Burwell Sports Centre

Projects

Short Term (Year

Trees on the avenue

Community garden

Sports hub land acquisition and funding proposal.

Campaign to improve zebra crossing at Pound Hill

LHI for 20mph flashing signs by the school

Pressing for the completion of the Burwell/Exning Cycleway

Development of new area of land and toilet at Pauline's Swamp Nature Reserve

Publication of MVAS and Speedwatch data

Work with ECDC to establish a register of community

Completion of Emergency

Sports hub development

Consider Youth Worker

Sports hub development Improvement and Lode area

Objectives:

- To deliver on the Climate Change, Biodiversity and Pollution Action Plans as agreed by Burwell Parish Council and to facilitate networking between relevant groups and stakeholders around the village to achieve this.
- Prevent or minimise pollution to air, water and land
- Protect and enhance the quality, extent and accessibility of Burwell's 'green infrastructure' (open spaces, trees, waterways and natural environment) for people and biodiversity.

Vision:

- For Burwell Parish Council to become carbon neutral by 2030
- To have a plan to manage the local impact of climate emergencies
- To support the reduction of Burwell's carbon footprint, increase biodiversity and improve access to green spaces.

BURWELL PARISH COUNCIL CLIMATE CHANGE ACTION PLAN

Projects

Create biodiversity plan Information hub on Partnerships with local website groups to improve Short Term (Year Respond to local biodiversity, reduce renewable energy Create pollution plan pollution and to projects Review climate change respond to climate Review Net zero 2030 change Determine 3-5 year project plan using the climate change action plan and biodiversity plan for guidance

FUNDING/FINANCES

The main source of income for the Parish Council is through the precept. Other income is raised through hiring of halls and sporting facilities, burial costs for the cemetery, allotment rent and grant funding for individual projects. The Council has recently been fortunate to receive some Community Infrastructure Levy from the District Council. Community Infrastructure Levy (CIL) is a charge local authorities can impose on new developments (over 100m² or creating new homes) to fund local infrastructure like schools, transport, and green spaces needed to support that growth, collected from developers as a fee per square meter based on local rates.

Council's expenditure covers the provision of, and all the costs involved with the Council's assets such as parks allotments and halls, staffing costs, and other costs relating to Parish Council activity. The Council approves the budget prior to considering and agreeing its precept request. A Parish Council precept is the amount of money a local parish council raises from its residents via the Council Tax to fund local services; it's the difference between their budget needs and other income, calculated as a charge per Band D property, and collected by the district council as part of the main tax bill.

When calculating the precept in future years of the plan the Council will need to consider the funding of the capital projects identified in the working groups short, medium and long term plans. By adopting this document, the Council agrees that the above short, medium and long-term plans should form the basis of the Council's work for the next five years 2025 to 2030.

The precept for 2024/2025 was £233,250.00 (Band D House rate £93.14) The precept for 2025/2026 is £257,518.30 (Band D House rate £104.51) The precept for 2026/2027 is £290,000.00 (Band D House rate £117.15)

The following pages provide:

- An overview of earmarked reserves
- CIL received
- A detailed budget for 2025/2026
- A draft summary five year budget¹. A detailed five year draft budget is available.

Funds Available

On 30th September 2025 Burwell Parish Council has the following funds available:

Fund Balance	£674,932.74
Less Earmarked Reserves	£274,497.63
General Reserves	£400,435.11

¹ The approach to the five year budget is conservative assuming no increase in income and inflationary costs based on Government forecasts. It also may not cover new projects arising.

Earmarked Reserves as at 30th September 2025

The following funding has earmarked for specific projects.

Total of Earmarked Reserves	£274,497.63
Lighting MH (Solar/Storage)	£6,296.93
Solar/Storage Donations	£10,000.00
Westhorpe Play Area	£2,267.27
Repair/Swish Café	£1,529.27
Spring Close Chalk Stream Project	£2,000.00
Spring Close Signs	£264.00
Community Garden	£1,921.31
Climate Change	£4,422.00
Newmarket Road Sports Hub	£4,000.00
CIL Funding	£173,284.06
25/26 LHI Flash. Speed Signs Bunting Path and Causeway	£8,404.49
Gardiner Memorial Hall Entrance	£15,000.00
Recreation Ground/Pavilion Sinking Fund	£30,459.38
Pauline's Swamp	£13,648.92
20/21 Capital Trees	£1,000.00

CIL Allocation

Burwell Parish Council receives Community Infrastructure Levy from East Cambridgeshire District Council as a result of housing development in the parish. These funds must be spent within a period of 5 years from when they are received by the Parish Council. Up until 30th September 2025 since the scheme began Burwell Parish Council has received a total of £413,363.37.

The following projects have benefitted from CIL Funding:

LHII School Signs (Work to be carried out in 2026)	£5,000.00
GMH Refurbishment	£152,100.00
Recreation Ground Car Park	£35,000.00
Westhorpe Play Area	£47,979.31

The Council currently has £173,284.06 in hand and will be looking to use this towards the cost of the Newmarket Road Sports Hub.

To: Recap

Subject: RECAP Resource and Waste Strategy and RECAP Design Guide Consultation

Date: 01 December 2025 14:59:56

CAUTION: This email originates from outside of Burwell Parish Council Dear Consultee,

We are writing to you as part of a consultation relating to two new documents.

RECAP Resources and Waste Strategy (2025–2031)

We are seeking views for the RECAP Resources and Waste Strategy from community representative, residents, public bodies involved with the natural environment, as well as those with technical expertise involved in waste management, including waste processing, collection and disposal companies.

RECAP Waste Design Guide

The **RECAP Waste Design Guide** updates the previous policy document (adopted in 2012) and is aimed at **developers**. It provides clear guidance on the waste management infrastructure required for new residential developments, helping to avoid operational challenges experienced in the past. We are seeking views on the RECAP Design Guide from developers, their agents and all involved in the design, planning and building of new developments.

To view the consultation please click here.

Regards

Bryony Rothwell

RECAP Waste Partnership Manager

shire District Council Rural Settlement List 2026 2027 Consultation.pdf

Importance:

CAUTION: This email originates from outside of Burwell Parish Council Good morning.

CONSULTATION: Draft Rural Settlement List 2026/27

As you have expressed an interest in corporate issues and Economic Development, I am writing to invite you to provide your views on the Council's Draft Rural Settlement List 2026/27.

Details of the consultation are attached.

The purpose of preparing the list is in relation to business rates Rural Rate Relief. A business won't have to pay business rates if it is in an eligible settlement and either:

- The only village shop or post office, with a rateable value of up to £8,500
- The only public house or petrol station, with a rateable value of up to £12,500

Each year the Council is required to publish a Rural Settlement List which identifies settlements with a population of less than 3,000 people. Due to the population being more than 3,000 at 31st December 2025 it is proposed that Haddenham be removed from the list.

The impact of this is that any business in Haddenham that meets the criteria above will no longer be able to apply for Rural Rate Relief.

Your Role

If you wish to be involved in this consultation exercise, then your role is to read and consider the Draft Rural Settlement List 2026/27 attached and to offer your feedback. If you have any comments on the attached list (for example, a settlement should be removed or added), please let the Council know by 5pm on Friday 6 March 2026, by emailing Kieran Carr, kieran.carr@eastcambs.gov.uk or by writing to Kieran Carr at: East Cambridgeshire District Council, The Grange, Nutholt Lane, Ely, Cambridgeshire CB7 4EE.

Your views will be incorporated, where appropriate, into the final Settlement List.

For further information, or to discuss this consultation in more detail, please contact me on 01353 665555.

Yours sincerely.

Kieran Carr

Economic Development Manager

East Cambridgeshire District Council Rural Settlement List 2026/27 CONSULTATION – 8 December 2025 – 6 March 2026

Introduction

Under s42A of the Local Government Finance Act 1988, East Cambridgeshire District Council ('the Council') must compile and maintain a 'rural settlement list'. Once in place, the list must be reviewed, updated if necessary and republished each year. In order to amend such a list, s42B of the above Act confirms that the Council must, for a period of three months before the start of the chargeable financial year, make available for inspection a draft of the list. That draft list is at Appendix 1 below.

Qualifying settlements

For an area or settlement to qualify to be inserted on the list, the Act confirms that:

- The settlement is wholly or partly within the Council's area, and
- Appears (for the financial year 2026/27) to the Council to have a population of not more than 3,000 on 31December 2025

A rural settlement list must identify the boundaries of each settlement (whether by defining the boundaries or referring to boundaries defined in a map or other document).

If the Council wishes to amend the list in future years, it must consult for three months prior to the start of the applicable financial year before doing so.

A copy of this draft list, and the subsequent final list for 2026/27, will be available on the Council's website (<u>Business rates reductions and appeals | East Cambridgeshire District Council</u>), and in paper form at the main council office, Ely.

Proposed List

Attached at Appendix 1 is the proposed list, for consultation purposes. The main data source for determining areas to fall on the list is the Cambridgeshire Mid-2022 Population and Dwelling Stock Estimates (published April 2024): Cambridgeshire and PeterboroughMid-2022Estimates (xlsx.117KB)

Benefits of being on the list

The purpose of preparing the list is in relation to Business Rate Relief. In short, you could (if you apply) get Rural Rate Relief if your business is in a settlement as listed. Such rural rate relief means that you won't pay business rates if your business is in an eligible settlement and either:

- The only village shop or post office, with a rateable value of up to £8,500
- The only public house or petrol station, with a rateable value of up to £12,500

Consultation arrangements

If you have any comments on the attached list (for example, a settlement should be removed or added), please let the council know by 5pm on Friday 6 March 2025, by emailing kieran.carr@eastcambs.gov.uk or by writing to Kieran Carr at East Cambridgeshire District Council, The Grange, Nutholt Lane, Ely, Cambridgeshire, CB7 4EE. Please provide as much evidence as possible to explain why you think a change is needed. Post consultation, a final list will be prepared and published for the financial year 2026/27.

Appendix 1: The Proposed Rural Settlement List for 2026/27 (subject to consultation outcome)

East Cambridgeshire District Council Rural Settlement List 2026/27

(under s42A of the Local Government Finance Act 1988)

All businesses located within the following settlements within the East Cambridgeshire area are deemed to be within a rural settlement (settlements appearing to have a population of less than 3000 (at 31st December 2025).

The boundaries of the settlements listed are, for the purpose of the 2026/27 list, defined by the 'development envelopes' on the Policies Map for East Cambridgeshire. The Policies Map is comprised of the maps agreed as part of the East Cambridgeshire Local Plan or, where applicable, the maps agreed as part of a more recent parish-based Neighbourhood Plan.
