

MICHAEL SWIFT

I was born in Huntingdon and spent the whole of my working life in various Special Educational Teaching posts, firstly in Cambridgeshire, then latterly in Shropshire.

While living in Telford I served on three levels of Local Authority Councils (Parish, Town and Unitary).

I returned with my wife to Cambridgeshire 10 years ago so that we could be closer to aged parents, children, grandchildren and family.

I was elected to Burwell Parish Council in 2015 and presently Chair the Community Leisure and Sports' Working Group. I also Chair the small Committee that has overseen the modernisation and improvements at the Recreation Ground.

My hobbies and interests include Genealogy, Garden Railways and Sport.
