

# Cricket Parking – Burwell.

The areas highlighted in red below are allocated cricket parking and should be used in the first instance when playing at Burwell. The rest of the **main car park is for the use of hirers of Mandeville Hall and cannot be used** unless the Parish Council have informed Cricket that no events are taking place at the Hall. There is parking in surrounding roads and at times (signage will be out) Margaret Field will be available for parking. Please ensure when parking in Margaret Field that you do not park on any of the marked football pitches.
